

**SU406 together with Olenick & Associates  
Present:**

Real World  
Project Management /  
Software Development  
Skill building

Through hands-on exercises, teams will work together using the project management skills introduced to build model cities. Learn ways to manage day to day projects, such as: School group projects, Silver Award, Gold Awards, take action projects, and work / community groups .

Living Hope Church  
777 Meacham Road  
Elk Grove Village, IL 60007

Cost \$2
